

Design Template

Fits:

+ 10KmAh 6-in-1 Magnetic or Wired Power Bank

Instructions:

- All raster images are at least 300dpi at full scale
- CMYK is preferred for printing.
- Artwork in other color spaces will be converted to CMYK during printing.
- Turn off the template layer before uploading.
- Acceptable file types for upload are JPG, JPEG, PNG, TIF, TIFF, PDF, PSD, BMP, GIF, SVG, AI, and EPS.
- The proof image shown before adding to cart is the only proof you will see. Ensure graphics are acceptable before purchase.
- Extend artwork to the edge of the bleed area.
